

PILLAR

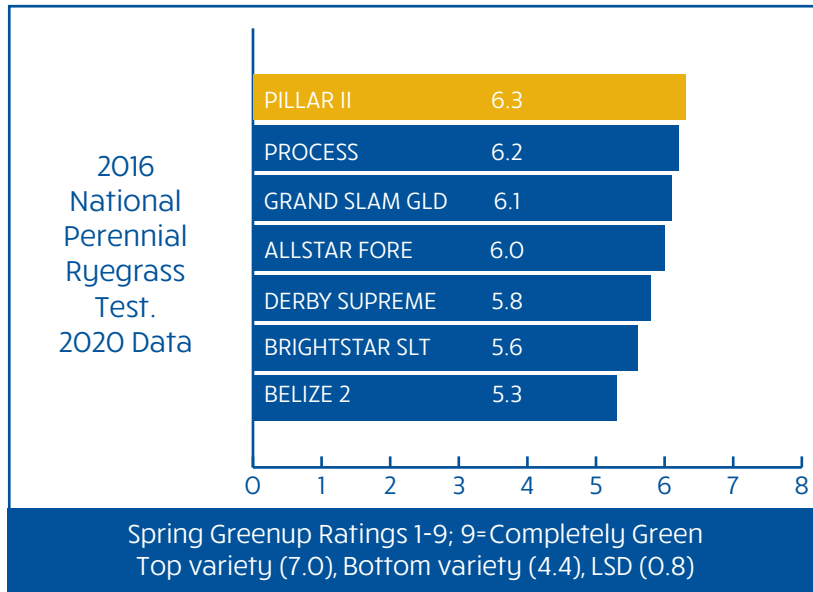

PERENNIAL RYEGRASS

PILLAR II perennial ryegrass is a new release that offers superior turf. **PILLAR II** has great gray leaf spot, stem rust, crown rust and pink snow mold resistance. This variety offers good density throughout the growing season along with performance in a drought.

PILLAR II has acceptable performance in salinity conditions and brown patch tolerance. **PILLAR II** has good traffic tolerance and divot recovery.

PILLAR II blends well with other perennial ryegrass. This variety also mixes well with Kentucky bluegrass, fine fescue and tall fescue. When looking for the latest technology in perennial ryegrass consider **PILLAR II** in your program.
